

LIVE A LEGACY, LEAVE A LEGACY

A legacy is something that's left behind.

It's the values we've taught our children and grandchildren. It's lives that have been changed by the Gospel. It's the impact of the local church on its people and community.

We desire to leave a spiritual and physical legacy in Cass County through a 21,000-square-foot church building on our property, next to our current location. Our goal is not merely a building, but a stable, lasting location for ministry.

Why a new facility?

We spend thousands of dollars a year renting our current building. We're grateful for our home. But we believe it's in the best interest of Manna Fellowship to have our own space. Not only will this provide expanded opportunities for our children, adults and students, it will open up new ways for us to serve greater Cass County.

Once completed, the new facility can be modestly expanded. But our goal is not bigger buildings. Rather, our vision is to plant churches, fanning out from a strong home base.

What will the new facility be like?

The building is projected to cost approximately \$4 million and will include:

- A gymnasium/auditorium
- A secure children's wing
- A full commercial kitchen
- Multipurpose classrooms
- An expansive lobby for our guests
- Expanded parking
- Office space for work and meetings

Our goal is to begin construction in the last quarter of 2018 or the first quarter of 2019.

In total, the church owns 40 acres adjacent to our current facility. We anticipate needing less than half of this property. Our long-term goal is to sell surplus acreage and dedicate the proceeds toward the mortgage.

The commitment

We want to be wise managers of God's money. Therefore we are asking everyone in the Manna family to make a commitment to our building fund. Remember: It's not equal gifts but equal sacrifices that matter.

**Every member of Manna
can be involved by:**

- Giving a one-time cash gift on Commitment Sunday, Oct. 29. Our goal is \$100,000.
- Making a three-year financial commitment.

How much should I give?

We cannot give equal amounts. But we can all give something. A few general principles can guide us:

- **Give wisely.** Please make building gifts over and above your normal giving. We must still pay our operating expenses.
- **Give thoughtfully.** Pray it through. Think it through. Look at your financial reality but don't exclude faith.
- **Give consistently,** not out of convenience or on a whim.
- **Give sacrificially.** Giving should cost us something.

Finally, remember that the building is only part of our legacy. While we build for the future, we can live a legacy every day, representing Christ in our home, church and community.
